(KG 1)

MOTTO: EXCELLENCE

Based On New Curriculum

STRATEGIC SCHEME OF LEARNING

IMPORTANT INFORMATION

- The schedule for the **Third Term** Examinations is: **13TH July – 17TH July 2026.**
- Submission of enrolments and final registration closes on: Friday, **19TH June 2026.**
- **Full payment of the total bill** for the examinations must be made **at the time of registration.**
- Registration is **invalid until full payment is made.**
- Examination materials **shall not be delivered without full payment.**

FOR FURTHER ENQUIRIES, CALL OFFICE HOTLINES:

0249273049/ 0207732900/ 0273175454/ 0248726958/ 0558122096

KINDERGARTEN ONE— THIRD TERM

OUR WORLD AND OUR PEOPLE

WEEK	SUB- STRAND	CONTENT STANDARDS	INDICATORS/ EXEMPLERS
STRAND 6: ALL AROUND US			
1	Sub Strand 1: Living and Non- Living Things	K1.6.1.1 Demonstrate understanding of living and non-living things.	K1.6.1.1.1 Talk about different types of things around us and classify them into living things and non-living things - <i>Learners recite poem or rhymes about some things around us.</i> - <i>Discuss which of the things are living things and those that are not</i> - <i>Classify the list into living and non-living things</i> K1.6.1.1.1 Talk about different types of things around us and classify them into living things and non-living things
2	Sub Strand 2: Living Things – Animals (Domestic and Wild)	K1.6.2.1 Demonstrate understanding of domestic and wild animals.	K1.6.2.1.1 Sing and talk about different kinds of animals, what they eat, the sound they make and put them into groups. - <i>Learners watch a video/conversational poster and talk about domestic animals regarding what they eat and their uses as well as the sound they make.</i> - <i>Discuss other living things around the home. Insects – ant, house fly, grass hopper, lizard, etc. and how to prevent them</i>
3	Sub Strand 3: Water	K1.6.3.1 Demonstrate understanding of sources of water and its uses.	K1.6.3.1.1 Talk about where we get water from and its uses. <i>Let learners sing and recite rhymes about water.</i>
4	Sub Strand 4: Air	K1.6.4.1 Demonstrate understanding of the presence of air and tell its importance	K1.6.4.1.1. Share their understanding and describe the presence of air through experimentation.

5	Sub Strand 5: Plants -1	K1.6.5.1 Demonstrate understanding of the parts of plants and their functions.	K1.6.5.1.1. Sing and talk about parts of a plants and their functions - <i>Using a picture or a real plant, guide learners to point to and name the part (roots, stem, leaf/leaves).</i> - <i>Post a drawn tree on the board, using word cards, have learners pick and post the card at the appropriate part.</i>
6	Sub Strand 6: Plants – 2	K1.6.6.1 Demonstrate understanding of how plants grow	K1.6.6.1.1 Talk about and discuss how plants and what human should do to enhance the growth process - <i>Have learners sit in a semi-circle position and recite a rhyme about plants. E.g. “Plants can grow”. Have learners identify the key things said about plants in the rhyme</i> - <i>Discuss with learners how plants grow</i> -
7	Sub Strand 7: Gardening	K1.6.7.1 Demonstrate understanding of the types of soil.	K1.6.7.1.1 Talk about different types of soil and which one is best used for gardening. - <i>Using different types of soil in separate containers, have learners watch and feel the types of soil</i> - <i>Discuss with learners how to make soil fertile for a successful gardening.</i>
8	Sub Strand 8: Light – Day and Night	K1.6.8.1 Demonstrate understanding of the sources of light for day and night.	K1.6.8.1.1 Recite rhymes/poems and talk about the different sources of light. - <i>Have learners describe the beauty of the day and night scenes.</i> <i>Guide learners to identify the natural and artificial sources.</i>
9	Sub Strand 9: Changing Weather Conditions	K1.6.9.1 Demonstrate understanding of changing weather conditions and seasons.	K1.6.9.1.1 Sing and talk about the weather condition in Ghana. - <i>Have learners sing the “Rain rain go away song” and talk about the weather condition they sang about in the song.</i> - <i>Go out of the classroom to observe the weather with learners. Using conversational poster on different weather conditions in Ghana, guide learners e.g. rainy, sunny, windy, cloudy, etc.</i> - <i>Have learners sound out the names of the weather condition and share personal experiences on weather conditions.</i> - <i>Guide them to talk about the current weather condition. E.g. Sunny or cloudy weather.</i> - <i>Using a weather chart, discuss with learners how to cater for oneself during the different seasons.</i>

STRAND 7: MY GLOBAL COMMUNITY			
10	Sub Strand 7: My Global Community	K1.7.1.1 Demonstrate understanding of different ways we connect and communicate with the global world.	K1.7.1.1.1 Using pictures, talk about the various means by which we connect with the international community-Transportation. - Say a poem about different means of transport - Guide learners to discuss various means one use to travel to other countries - Discuss some of the basic reasons why people travel to other countries Have learners talk about the means through which one can travel to another country and tell why they like the chosen means of transport.
11	REVISION		
12	END OF THIRD TERM EXAMINATIONS		

LANGUAGE AND LITERACY

WEEK	SUB- STRAND	CONTENT STANDARDS	INDICATORS/ EXEMPLERS
STRAND 6: ALL AROUND US			
1	Sub Strand 1: Living And Non- Living Things	<i>AS FOR OWOP</i>	K1.6.1.1.2 Participate actively in an Interactive Read Aloud story about living and non-living things - <i>Take learners through the pre-reading activity of a Big book</i> K1.6.1.1.3 Blend letter sounds to form words related to the theme. - <i>Using letter cards, let learners identify the letter sounds.</i> - <i>Guide learners to clap the syllables of the names of objects e.g. cat, tree,</i> - <i>Classify and count the words used in the activity according to syllables and use comparative language to describe the groups</i> - <i>Write at least two words each for living things and non-living things</i> K1.6.1.1.4 Identify and write initial sounds of the objects.
2	Sub Strand 2: Living Things – Animals (Domestic And Wild)	<i>AS FOR OWOP</i>	K16.2.1.2 Handle a book correctly e.g. hold the book upright and open right to left - <i>Have learners do pretend reading during which you encourage learners to demonstrate the appropriate handling of book with them</i> K1.6.2.1.4 Review list of letter sounds learnt and use letter sounds to list and match the pictures of domestic animals.
3	Sub Strand 3: Water	<i>AS FOR OWOP</i>	K1.6.3.1.2 Listen and interact with teacher and peers as they listen to a read aloud text on the uses. - <i>Have learners use some of the keywords to make simple sentences</i> - <i>Have learners write the names of 3 sources of water into their exercise books.</i> K1.6.3.1.3. Recognise letter sounds and names which begin words that describe how human beings and animals use water. K1.6.3.1.4 Use a variety of new vocabulary learnt about the sources of water to make simple sentences orally <i>Have learners pick picture and word card and orally make own sentences</i>

4	Sub Strand 4: Air	AS FOR OWOP	K1.6.4.1.2. Use visual information to help them understand the text they read K1.6.4.1.3 Recognize the position of the target sounds in words either at the initial, middle or the ending of the words related to the theme - Have learners write and fill in the missing letters of some given words - Give learners selected words to tell the position of the target sound. K1.6.4.1.4 Use a variety of new vocabulary learnt about importance of air to make simple sentence orally.
5	Sub Strand 5: Plants -1	AS FOR OWOP	- After detailed discussion have learners make sentences with the parts of plant e.g. this is the leaf, this is the roots. K1.6.5.1.2 Talk about the cover page of the book and point to individual words while listening to the teacher read aloud. K1.6.5.1.3 Blend individual sounds and decode simple words which relates to the theme. K1.6.5.1.4 Use a variety of new vocabulary learnt about plants to make simple sentences, draw and write the initial letter sounds. - Using a clearly labelled tree, recap lessons on the parts of tree and take learners through the keywords, guide them to identify the initial letter sounds. Have learners play “Show and tell” or “Letter hunt” to highlight the initial sound of the words
6	Sub Strand 6: Plants – 2	AS FOR OWOP	- Have learners use the treated keywords form sentences on how plants grow. - Ask simple questions about the story for learners to answer K1.6.6.1.3 Identify the initial and ending letter sounds of objects and blend letter sounds to form words. - Learners write selected words and show their beginning and ending sounds in their books e.g. root, leaf, roots, etc. K1.6.6.1.4 Use vocabulary learnt to form simple meaningful sentences - Using pictures and word cards, guide learners to read the words. - Help learners understand the selected words/keyword - Guide learners to use the keywords acquired to construct simple sentences about the theme. E.g. We need plant for shade

7	Sub Strand 7: Gardening	AS FOR OWOP	- learners recite a poem about gardening “I have my garden” Have learners observe and talk about a conversational poster on the different types of soil E.g. sandy, clayey and loamy soil K1.6.7.1.2 Point to individual words to track reading. - Guide them point to the title of the book. - Have them point to the individual words in the title. - Guide them to use the cover page picture to predict the content. - Have learners use some of the gardening words to make simple sentences K1.6.7.1.3 Use a variety of new vocabulary learnt about soil to make simple sentences about it. - Asks learners to form own sentence with the word (e.g. I play in the sand. - Write some of the sentences on the board for them - Have learners mention words and identify the common sound e.g. rake - Guide learners to use given sounds to form the words using the letter cards
8	Sub Strand 8: Light – Day and Night	AS FOR OWOP	K1.6.8.1.3 Recognise the beginning sound of the letters in relation to the types of light and write in their books. K1.6.8.1.4 Use a variety of new vocabulary learnt about light to form sentences orally. - Have learners discuss the uses of light in their everyday life using the new vocabulary learnt. - Have learners pick a word card and make simple sentence with it. E.g. Switch the torch light on; put the candle off; etc. Guide them pick and act out simple sentences on sentence strips in relation to the theme E.g. Switch on the light, switch off the torch, light the lantern, etc.
	Sub Strand 9: Changing Weather Conditions	AS FOR OWOP	K1.6.9.1.2 Identify the cover page and illustrations and listen to and respond to a read aloud text on changes in the weather condition. K1.6.9.1.3 Identify initial letter-sounds of weather and write them under the appropriate pictures. K1.6.9.1.4 Use the vocabulary learnt to talk about the weather - Ask them to form sentences orally with the vocabulary acquired

STRAND 7: MY GLOBAL COMMUNITY

9	Sub Strand 7: My Global Community	AS FOR OWOP	K1.7.1.1.2 talk about the various means by which we connect with the international community-Trade K1.7.1.1.3 Identify and cover and back page of a book and read aloud a simple sentence K1.7.1.1.4 Blend individual sounds to decode words which relates to the theme and write the words in their books - Using a letter-sound chart, revise the letter sounds learnt. With the use of letter cards, guide learners to arrange the letters to form words. Have learners use some of the words to construct simple sentences on their own - Let learners write few of the words in their books K1.7.1.1.5 Use vocabulary learnt to form simple sentences in real life situation.
LETTER WORK AND WRITING			
10	Master some letters	Three-letter words	Say and write as many three -letter words as possible.
11	REVISION		
12	END OF THIRD TERM EXAMINATIONS		

NUMERACY

WEEK	SUB- STRAND	CONTENT STANDARDS	INDICATORS/ EXEMPLERS
STRAND 6: ALL AROUND US			
1	Sub Strand 1: Living And Non- Living Things	AS FOR OWOP	- Learners classify and count the living and non-living things read about. Extend this to include classification of cut out shapes, colours, and/or other objects - Classify and count the words used according to syllables and use comparative language to describe the groups e.g. One syllable words and two syllable words. K1.6.1.1.5 Identify and describe objects by colour names and size
2	Sub Strand 2: Living Things – Animals (Domestic And Wild)	AS FOR OWOP	- Have learners sort and group the picture cards according to beginning sound of their labels. Guide the learners count the number of card in each - group and use comparative language to describe the groups. You can also have learners use the groups for addition and/or subtraction activities K1.6.2.1.5 Identify and describe objects by colour names and size. K1.6.2.1.6 Recognise, sort, classify, describe and extend nonnumerical patterns
3	Sub Strand 3: Water	AS FOR OWOP	K1.6.3.1.6 Describe the position of objects.
	Sub Strand 4: Air	AS FOR OWOP	- Display number grid and guide learners describe position of a given number - Recap numeracy activities on the positions of numbers/letters and have learners write the position of the letter in bold print of the following words:
4	Sub Strand 5: Plants -1	AS FOR OWOP	K1.6.5.1.6 Describing the position and motion of objects in relation to others. - Recap lessons of position of objects. Using pictures of different kinds of plants, guide learners to identify and talk about the position of each of the plants. E.g. The flower is the 5th. Ask learners to colour a particular position
5	Sub Strand 6: Plants – 2	AS FOR OWOP	- Have them discuss 2-D and 3-D objects using real and drawn objects and compare some of the objects according to a given attributes. - Have learners colour outline of cut out shapes - Using 2-D and 3-D objects and drawn objects, have learners describe the characteristics of the everyday objects and shapes in their environment. - Have them match objects that look alike in terms of shapes. K1.6.6.1.6 Classify objects and count the number of objects in each category up to 9. - Using pictures of fruits and vegetable, guide learners to sort, group and count the fruit and match with a numeral card

6	Sub Strand 7: Gardening	AS FOR OWOP	- Have learners sort and group the farm tools according to colours and use comparative language (“more than”, “less than” “same as”) to compare their art work. Extend the activity to include addition and subtraction - Representing art works with counters, have learners sort and group their art works according to colour and/or size. - Have learners count the number in each group. You can extend the activity with addition, subtraction, or comparison activities K1.6.7.1.5 Classify objects and count the number of objects in each category up to 9 - Read a concept book on numbers (1-9) to learners. - Talk about the numbers heard in the reading and show their respective cut out number.
7	Sub Strand 8: Light – Day and Night	AS FOR OWOP	- Have learners group the examples of lights talked about and count the number in each group. Have them do addition and subtraction activities with the examples of lights. - Have learners do addition and subtraction activities with the examples of lights using simple everyday situation word problem e.g. Kofi was sent to buy 5 bulbs from a nearby shop. On his way back, he trips and the bag containing the bulbs fell and one got broken, how many bulbs would the family use? - Guide learners group and count the sources of light in each group and compare them using comparative language. Extend this activity to include additions and subtractions K1.6.8.1.6 1 Use number names, counting sequences and how to count to find out “how many”?
8	Sub Strand 9: Changing Weather Conditions	AS FOR OWOP	- Have learners identify the weather conditions read about and tell the order in which they appeared. E.g. rainy weather came 1st, sunny 2nd, windy 3rd, etc. - Give out some numeral cards, let learners compare the numbers by using the comparative language “more than”, “less than”, “same as. Let learners compare the number of objects in the class room. E.g. the pencils are more than the erasers.

STRAND 7: MY GLOBAL COMMUNITY

9	Sub Strand 7: My Global Community	AS FOR OWOP	- Have learners be in groups according to their choice of means of transport. - Count members in each group and use comparative language to describe them - Represent the number of each group with counters. - Have each group present their number on a number line - Using story problems guide learners to add or subtract single digit numbers which sums up to 9.
---	-----------------------------------	-------------	---

PURE NUMBER WORK

10	NUMBER WORK	Mastering numbers	Count and write from 1 to 200. Write number names from <i>one</i> to <i>twenty</i> .
----	-------------	-------------------	---

REVISION

12	END OF THIRD TERM EXAMINATIONS		
----	---------------------------------------	--	--

CREATIVE ARTS

WEEK	SUB- STRAND	CONTENT STANDARDS	INDICATORS/ EXEMPLERS
STRAND 6: ALL AROUND US			
1	Sub Strand 1: Living And Non-Living Things	AS FOR OWOP	- Have learners draw their version of one living thing and one non-living thing they saw in the book and talk about their drawings - Use letter cards to name some of living and non-living things. E.g. /c//a//t/, /b//oo//k/ K.1.6.1.1.6 Recognise, sort, classify, describe and extend nonnumerical patterns
2	Sub Strand 2: Living Things – Animals (Domestic And Wild)	AS FOR OWOP	K1.6.2.1.3 Tap or clap and count the syllables of the names of animals and identify the initial sound of the animal names - Learners sing a song or recite a poem about and mimic the sound of the various animals in the song - Have learners create patterns with the syllables in selected names of domestic animals using cut out shapes or colours e.g. 1,2,1,2- dog (1), chicken (2), cat (1), puppy (2). Extend this activity with word more syllables - Using pictures, have learners talk about the different features of animals and use them to compare the animals by colour names and sizes. With outline of some domestic animals have learners colour their favourite animal on a card and discuss their colour work. Have them create pattern using shapes/colours with given criteria - Have learners create pattern with sound using rhythm in a poem/rhyme/song.
3	Sub Strand 3: Water	AS FOR OWOP	- Have learners draw any of the sources of water K1.6.3.1.5 Design, make, exhibit, and respond to own or others art works (2-D and 3-D)
4	Sub Strand 4: Air	AS FOR OWOP	K1.6.4.1.5 Derive meaning and make judgment about artworks using the senses according to its beauty. <i>Using pictures, guide learners to observe some art work on the experiments of presence of air and uses of air in the community and talk about them</i>

5	Sub Strand 5: Plants -1	AS FOR OWOP	- Using a poster or picture, have learners draw, colour and label a plant and talk about their drawing using the right terms/names. - Ask learners to draw and indicate the initial letter sounds of the parts. K1.6.5.1.5 Make art works with the elements of art - Using leaves and saw dust, guide learners to make a collage of a tree and talk about their art work indicating the parts of a plant
6	Sub Strand 6: Plants – 2	AS FOR OWOP	- Have learners compose simple story on a manila card about how plant grow. Have learners illustrate their composed story K1.6.6.1.2 Talk about the cover page and identify how plants grow in a read aloud story - Have learners draw and colour any object in 2-D K1.6.6.1.5 Identify, observe and talk about art in the immediate - Using conversational poster/pictures, have learners talk about uses of plants e.g. for shade, food, medicine, etc. - Make own pictures of fruits/vegetables and compare them using positive language.
7	Sub Strand 7: Gardening	AS FOR OWOP	- Have learners colour outlines of some of the farm tools mentioned. K1.6.7.1.4 Recognise and create words with given sounds and make art works with the elements of art - Have learners use clay to mould objects e.g. farm tool and paint once it is dry
8	Sub Strand 8: Light – Day and Night	AS FOR OWOP	- Have learners draw any of the natural sources of light they like and talk about them. K1.6.8.1.2 Use pictures and other text features to aid understanding as they listen to a read aloud informational text on sources light. - Have them draw and colour any example of man-made light read about. - Assist learners to arrange letter cards to form a given source of light - Have them draw any of the sources of light and write the initial and ending sounds. K1.6.8.1.5 Identify, observe and talk about art in the immediate natural and manmade environment. - Have learners connect the lights on the posters to those found in their environment.

9	Sub Strand 9: Changing Weather Conditions	AS FOR OWOP	- Discuss the different weather conditions on a conversational poster with learners. - Have learners draw and colour any of the weather conditions and talk about it. - K1.6.9.1.5 Identify, observe and talk about art in the immediate
STRAND 7: MY GLOBAL COMMUNITY			
10	Sub Strand 7: My Global Community	AS FOR OWOP	- Using conversational poster, have learners draw their favourite type of transport and compare their art works using positive language - Discuss and draw some things we buy from other countries
11	REVISION		
12	END OF THIRDTERM EXAMINATIONS
