NURSERY— THIRD TERM

OUR WORLD AND OUR PEOPLE

WEEK	INDICATORS/ EXEMPLERS
1	Who are the members of the school family? What rules govern their school? What do they do for the lawless learners who misbehave?
2	Good manners that our families value and why they value them. Some of the good manners that their parents insist on at home, e.g. when they are eating, when they wake up from bed, when they receive visitors, when in public etc
3	Talk about times we greet at various times of the day.
4	Some important cultural values and good manners that promote respect and politeness
5	How to show respect to each other, to adults in our society, mother/father and then teachers.
6	describe some behaviours that depict respect and politeness at home and at school. E.g. saying “please, and “thank you”, asking permission before doing everything, e.g. saying “may I go out” etc.
7	Understanding of the religious and moral values and virtues we need to exhibit as good Christians and Muslims
8	Discuss the common moral values and virtues that the three major religious groups preach. E.g. love, forgiveness, living at peace with people, behave appropriately towards other people.
9& 10	Festivals in Ghana
11	REVISION
12	END OF THIRD TERM EXAMINATIONS

LANGUAGE AND LITERACY

WEEK	INDICATORS/ EXEMPLERS
1	Learners recite common rhymes and identify some common rhyming sounds at the end. Learners should fish out the rhyming words as new vocabulary Using dots or tracing, have learners practice writing new letter on slates and in their exercise book.
2	Recognise that spoken words are made up of individual speech sounds and letters that can be written Write some words on the board or manila cards, assist learners say the words slowly stretching them using a rubber band and have learners count the sounds they hear in the word.
3	Using phonics game, assist learners to replace different sound/letter at the beginning of some selected words to create new words e.g. /pin/ /sin/, /tin/, /bin/, /fin/etc. /tan/, /man/, /pan/, /fan/, etc.
4	Have learners use some of the key words/sentences that depicts showing respect.
5	Use positive words to talk about how to show respect to teachers and peers at school Use vocabulary acquired from the text to create meaningful simple sentences
6	Identify the location of individual sounds in a given word (beginning or end of a word) Have learners identify words beginning with the letter-sound for words with the letter sound at different position/beginning, middle and the ending sound. E.g. dada – the beginning sound is /d/ and /wind/ the sound is at the end. Read sentence strips to learners and have them identify words that begins with the letter-sound of under study.
7	Have learners demonstrate the appropriate way of handling books, holding books upright when reading, not bending the spine, opening the pages carefully in order not to tear the pages, etc.
8	During a teacher-read aloud session about religious and moral values, use visual information to understand the unfamiliar words when reading and use new vocabulary acquired to create short sentences. Write two words depicting moral values on the board. Have learners tell situations/occasion when the values are used. Help learners use the words to make simple sentences. Have learners spell the words and then write them into their books.
9	List some words on the board or on cut out papers. As learners practice the selected words, write the sounds identified on the board. Have learners in pairs play sound blending games where one stretches out the sounding of a word for the other to blend the sound to make out the word. Write letters legibly and boldly
10	LANGUAGE AND LITERACY- Say the alphabets Write Upper- and lower-case alphabets from Aa to Zz
11	REVISION
12	END OF THIRD TERM EXAMINATIONS

NUMERACY

WEEK	INDICATORS/ EXEMPLERS
1	Have learners count and tell the number of words in a sentence and sum up words in some selected sentences Solve story problems using comparative language “more than”, “less than”, or “same as” to show relation between quantities/numbers
2	Have learners use shapes e.g. circle, triangles, rectangles to create simple patterns with 2,3,2, 2,2,3,2, etc. Guide them use the comparative language to describe concrete objects e.g. counters, shapes, etc. Have learners count the number of words they can create and represent their answer visually arranging bottle tops, empty cans, cut out shapes, etc.
3	Show the time of the day using clock faces. Talk about the times we greet in the morning and show it on the clock face. Assist learners to locate a given time on the clock face. Draw clock faces and write down the given time under it.
4	Have learners count the number of letters they used to fill in the spaces of the words and represent the number of the letters on a number line Have each learner count the number of words in their sentence and represent the number of words on a number line
5	Practice using the “more than” and “less than” concept and their signs to compare different items that learners like and don’t like. Have learners talk about their likes and dislike. Have learners share their likes and dislikes using comparative language “more than” and “less than”.
6	Introduce learners to using the mathematical signs for the “more than” to solve problems. Extend the activities with other objects
7	Use the comparative signs “more than” [] to describe the data collected. Have learners draw their favourite 2D or 3D object.
8	Have learners count the letters that make up each word and use objects such pebbles, straws, counters, etc. to represent the letters. Have learners sum up the number of letters in a given two words. Extend the activity by using different words or objects Learners can also create patterns with the numbers of letters in each word
9	Write selected words on the board and have learners count number of letters in words. Using number cards, have learners identify words that have the same letters as the number card shown. Have learners form patterns with the shapes representing the letters in words
10	Count from 1 to 100; Write from 1 to 30 in figures. Write number names from one to five
11	REVISION
12	END OF THIRD EXAMINATIONS

CREATIVE ARTS

WEEK	INDICATORS/ EXEMPLERS
1	Learners draw a member of their school family and give a brief description of it. Guide learners to create their own simple classroom rules for the using simple pictures
2	Role-play how to use simple daily greetings with different people in the society. Write the daily greetings on strips of manila cards. Show conversational poster and have learners identify the non-verbal behaviours that that learners show when greeting at school and elderly people. Have learners role play the daily greetings, showing appropriate non-verbal behaviours when greeting different people in the community. Have learners sing Alphabet song and point to the letters in the classroom.
3	Using a wooden or plastic clock, tell a short story about time. .Have learners create their own clock face using arts materials like play dough, clay, manila cards, etc.
4	Have a cut-out paper with the polite words/phrases including greetings and discuss them
5	Create a scenario for learners to tell the appropriate polite words/phrases that they will use and why? Have learners role play some of the scenarios
6	Learners dramatize different ways to show respect to teachers and their peers at school and in the house. E.g. saying sorry, thank you, etc
7	Have learners design a given letter using pebbles, shells, etc. and talk about their designs.
8	Recite rhymes and talk about religious values and how to show it
9	Learners recite common rhymes and sing song that depict religious values
10	Schedule a book mending day with the learners to assist them to mend the class torn books
11	REVISION
12	END OF THIRD TERM EXAMINATIONS
